

Fitzpatrick's Shop - Fundraising Drive for Glounthaune Community Centre

The big hall in the community Centre in Glounthaune Village has been closed for the past 18 months due to the collapse of the ceiling. Hardly surprising, as the building is over 100 years old. Unfortunately, as the damage is due to natural wear and tear, the repair work needed does not come under the scope of insurance cover.

Therefore it is up to the community to raise the funds needed for the repairs. The centre also needs a complete makeover and relaunch; something which is long overdue. The amount needed to be raised is in the range of approximately €5000.

With this goal in mind, from August 1st to 31st, Fitzpatrick's Shop will place a large glass bottle in-store, and is appealing that every member of the community make a donation to fund the repairs and renewal.

As part of their 70th Birthday celebrations, and as a gesture of appreciation to the people of Glounthaune, Fitzpatrick's pledge to match whatever monies are collected, thereby DOUBLING the FUNDS!

Here is an opportunity for all to come together to show their support in a very real way; let us all make a commitment to the future of our community by ensuring that there will be a centre not only for the current generation but future generations to come.

Remember, whatever you donate, Fitzpatrick's will double it!

"Is féidir linn!"
